# INTRODUCTION

Horse racing is a true Aussie pastime. NextToRun is an online SaaS Application that offers top 5 coming horse racing meetings. To most easily use NextToRun, we strongly recommend that you first install the Google Chrome web browser.
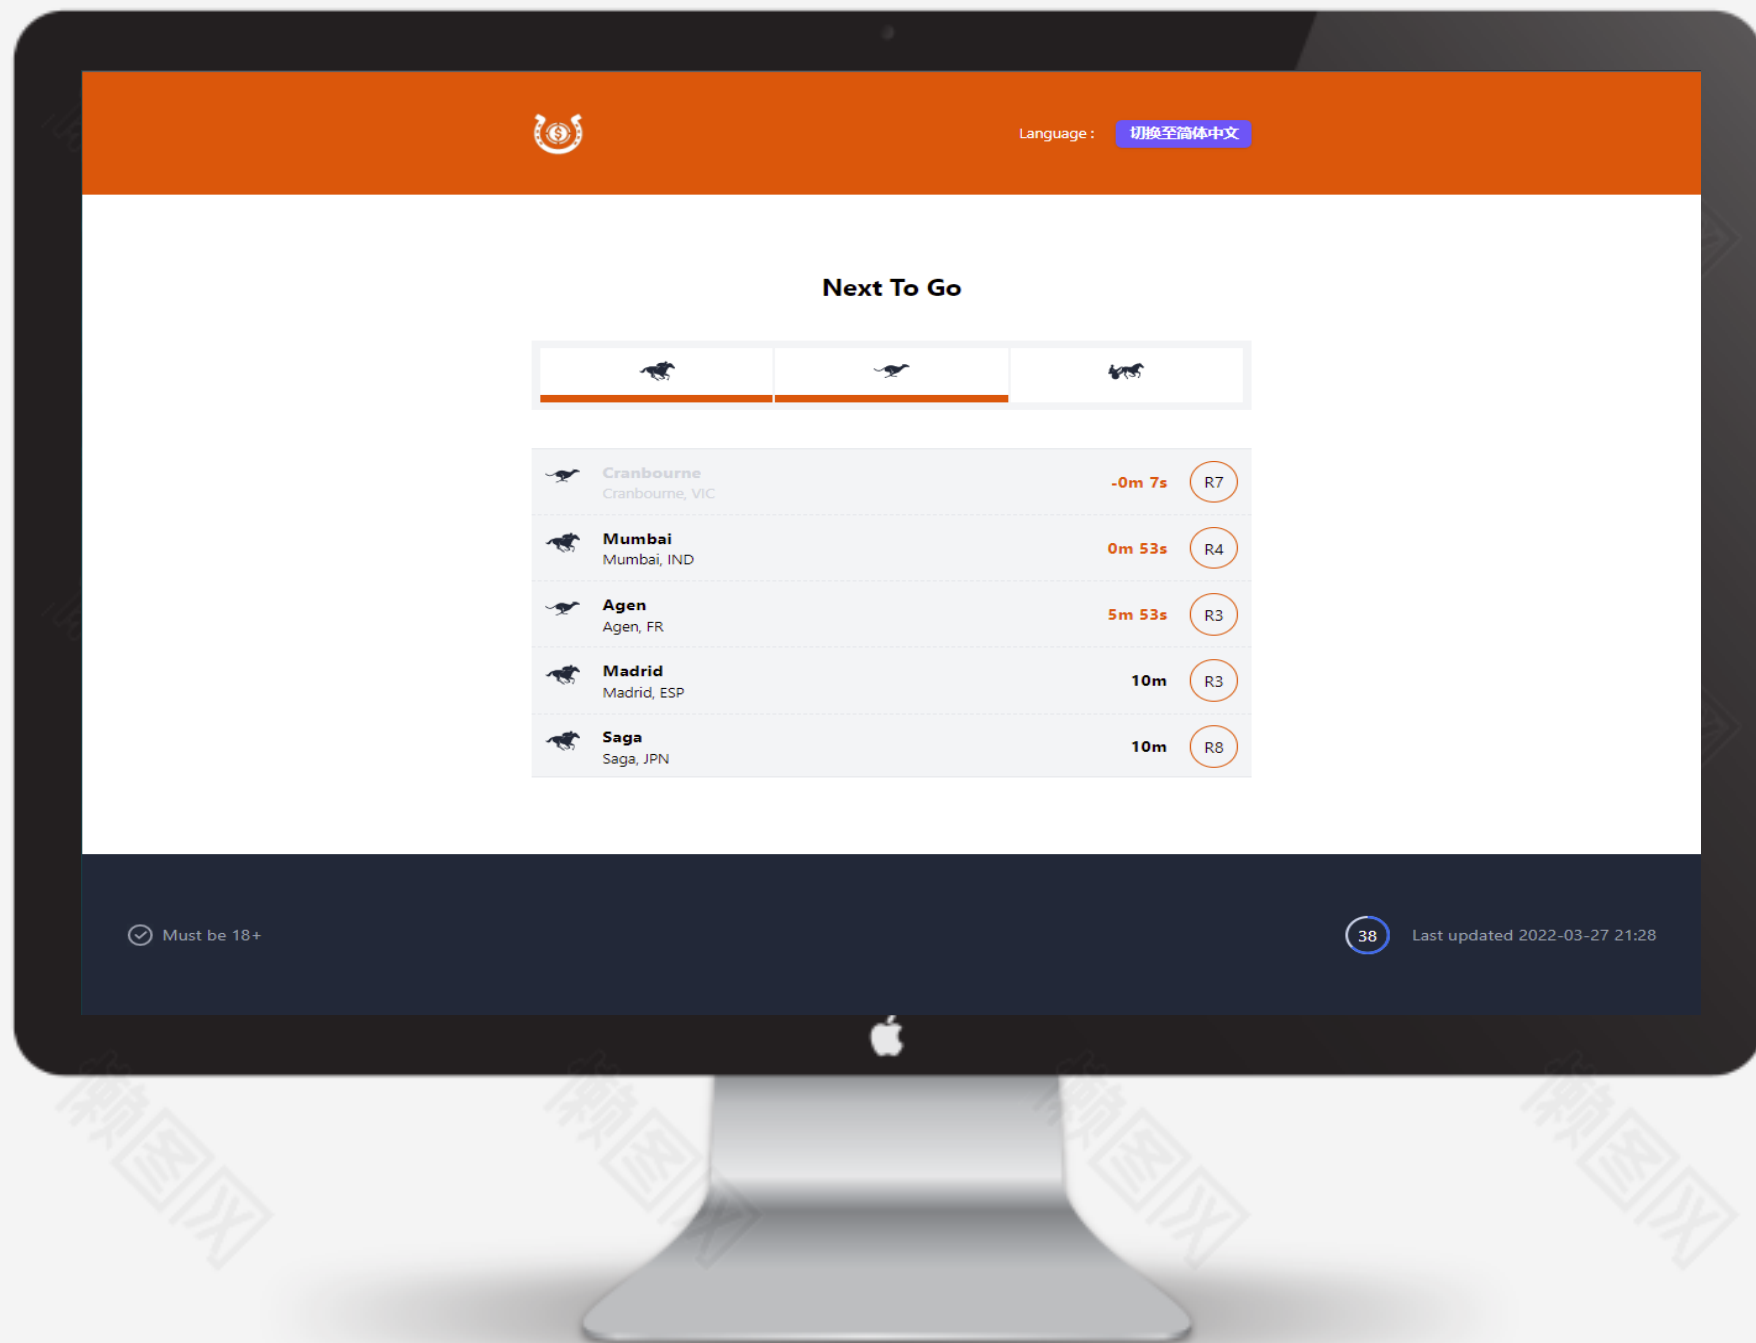

FEATURES

- Allow users to 5 races at all times that sorted by time ascending.

- Race dynamically disappears from the list after 1 min past the start time.

- The 'Countdown Clock' gives users a timeframe when they are advertised to begin.

Allow users to 5 races at all times that sorted by time ascending.
